

ARLHS Celebrates Its Tenth Anniversary With Reduced Dues for all & Lower Application Fees

EXPIRED MEMBERS — resigned or on inactive status, etc.

If you have let your membership expire or haven't paid dues in the last 10 years, or even if you have resigned your membership some time ago, now is the time to become active again. You can renew your former membership and *retain your original ARLHS member number*. You regain full membership status at the tenth anniversary special price of only **\$10**.

RENEWING MEMBERS — Currently Active

For active ARLHS members, extend your membership for an additional one year at the special anniversary dues rate of only \$10 (reduced from \$20). Your current expiration date will be extended a full year.

NEW MEMBERS

To celebrate the tenth anniversary of the founding and organization of the Amateur Radio Lighthouse Society, the Board of Directors has authorized a one-time reduction in fees for new member applications.

Previously, new members paid a US \$5.00 registration fee accompanied by the first year's \$20 dues — for a total of \$25. Effective December 1, 2009, new member applications will be reduced by \$10.00 to only **\$15.00**. (This offer is valid beginning December 1, 2009, and expires on December 31, 2010.)

To take advantage of this one-time tenth anniversary special, just clip the form and the "Dues Dllrs" coupon below, enclose it with your payment (renewals \$10 / new members \$15) as a US check, cash, or money order (American Express or bank MO), and send to **ARLHS Hdq, 114 Woodbine Ave, Merchantville, NJ 08109 USA** — Sorry, no foreign currency, postal money orders, credit cards, or IRCs can be accepted.
